

Sportsman's Night Out Raffle Packages -- 15 Guns will be Raffled (& a bow)

Early Bird Raffle Packages are designed to reward you with improved chances of winning by doubling or tripling the number of raffle tickets you would receive by investing early. Also, by buying early - we will have your tickets customized so your bid number will be printed on the back of your raffle tickets for easier identification. Here's the evening's line up:

The Hunter's Harvest Tier Raffle: In true Outdoorsman's form, the committee wants to send you home a winner. Last year we had 150 items in the tier - this year we have over 175 fantastic hunting, fishing, cooking and camping items including a bow and two guns. There are five tickets attached to each Raffle Card. You can place your tickets in the buckets of the prizes you wish to win based on the color of the ticket.

Premier Gun Raffle: The committee secured at least SIX Shotguns. We will be offering chances for this raffle at \$50 each. For every fifteen tickets sold - one gun will be raffled (winner's choice). These are incredible odds for truly fantastic guns.

Tub O'Cheer Raffle: Prepare for your upcoming hunting season with assistance from Jack Daniels, Crown Royal & others!
